Welcome Back,

We are preparing for a fun filled year! We have many exciting events on the calendar for you to look forward to, such as the Quilt Show, speakers, workshops, retreats and our very own Program Committee.

We hope you will be able to join us every month. We are looking forward to seeing everyone!!

Your Presidents

Barb and Kathy

Finishing and Journaling

The theme for Programs this year is Finishing and Journaling. The Finishing part will start with a 10-step program to help you finish some of your UFQ's (Un-Finished Quilts). There is a form to fill out with 10 projects. Each month a number will be drawn and that will be the quilt project to be worked on that month. Let's make some progress and finish some quilts.

The writing in a quilters journal is to help keep track of quilt ideas and progress. For those who have never kept a journal, then this is a great time to give it a

try. Write as much or as little as you want. Each month a calendar will be available with a daily prompt. (February's prompts will be available after the meeting).

The rest of the year will include getting ready for a quilt show, making some small projects and finishing quilts (see attached hand-out for making your UFO list).

As Always,

Michelle Tuller and Nicole Rimes, program co-chairs.

2020 Quilt Show News

Quilts of Valor

We will be presenting Quilts of Valor to veterans during our Quilt Show in June and we invite our guild members to participate!

If you would like to make a quilt, here are some guidelines:

• **Quilts of Valor are 55" x 65" minimum and we're asking that they don't go over 60" x 70" so that they will all be**

roughly the same size

- Please use red, white, blue fabrics. You can also use some gold. They should not be specifically feminine or masculine.
- You may quilt your own quilt if you wish, but we also have members who have volunteered to quilt tops.
- If someone else quilts your quilt, it will come back to you for binding.
- We will supply labels.
- We have decided not to provide a pillowcase with quilts this time. This is no longer a requirement by the Quilts of Valor Foundation.

Here's some dates to remember:

- February meeting – must know if you are making a quilt so we can begin getting names of veterans.
- If someone else is quilting your quilt, must have top by March meeting.

Thank you for participating in this exciting service project!

The presentation will take place on Saturday, June 13 at 1 p.m. at Carver Park Pavilion in Three Oaks.

Boutique

Here we are at the start of another year -- Quilt Show Year. We hope you worked on things to put in the boutique over break, if not you still have time.

Only quilt related items will be accepted for the boutique. Some examples are: quilts of all sizes, bags & pouches, pin cushions, table runners, wall quilts, full size quilts and throws.

This year the quilt show will be part of Flag Day so keep in mind tourists and people with second homes in mind when making items.

We need a couple of people to co-chair the boutique. Let us know if you are interested.

Thank you
Cindy Shepherd

Patriotic Small Quilts

For this quilt show we are asking for patriotic small quilts to sell outright as a fundraiser for the guild. This is a replacement for the raffle quilt.

This is a wonderful way to become involved with the quilt guild and the Flag Day quilt show. Your generosity and creativity will catch the eyes of many who will come to this event.

Quilts should be no larger than 20" x 20" and you may also submit table runners and pillows. Use up your scraps in creative ways. Maybe there's a new technique you have wanted to try in a small piece. All styles, designs, and techniques are welcome. Put them together and make that item which will "grab" someone's attention and want to take it home. Be sure to sign your work on the back. And perhaps a sleeve might be helpful. Any questions? Birthday Club

We are looking forward to the 2020 BTCQ year. Birthday Club members will be also be able to celebrate their birthdays with new fat quarters during their birthday month to add to their stashes. What fun.

Just a few reminders for Birthday Club members. Please bring the fat quarters for your team members to the February meeting. You may tag each fat quarter for your team members or let us divide the fat quarters according to your team members' wish lists. Remember to bring the fat quarters in a gift bag which will be used for you during your birthday month.

After the February meeting, all you have to do is wait for your birthday month. In March, the members with January, February, and March birthdays will be given their gift bags with the fat quarters. After March, gift bags will be given during the members birthday month. In November, both the November and December birthday members will receive their gift bags.

If you are unable to attend the February meeting, please try to find another guild member who would bring your team fat quarters to the meeting. If you are unable to bring the fat quarters to the February meeting, please contact Barb or Kathy to make other arrangements.

See you on February 13.

Barb Manning and Kathy Martus

Applique Society

Appliqué Society has a new outlook with changes we hope you will agree with. Instead of meeting at night (having trouble finding meeting places) we are going to meet on Wednesdays, once a month, at 10

a.m. the day before the guild meeting. **The next meeting will be on February 12.**

We have three new enthusiast members, Jan, Pearl and Susan. The bonus is: Susan has a wonderful studio which she has offered for our Appliqué Society meetings! It is quite large but not unlimited—please let me know if you plan to come, Sue Russell, 313-3799 or 983-3799. Studio address: **2873 Ainsworth Dr., across from the D.A.N.K.** Directions are difficult, GPS the address.

We can show beginners with points, circles and stems or help with a project! Join us!

Community Quilts

Once again, we have an overabundance of fabric. We will have tables set up at the February meeting of fabric for you to pick up. We will set up tables of fabric that are free for you to use on anything you wish but if you wouldn't mind making a Community Quilt or two, that would be GREAT! There are no quilt police so feel free to take as much or as little as you would like. At this time, we will not be accepting any more fabric, only completed quilts.

We will be presenting to the Board our suggestions for who will receive the quilts that are donated at the January 29th meeting. We will inform you of the board's decision at our February meeting and give more information on the size of quilt that we will need.

Thank you,
Lois Lentz, Nancy Hawley, Sara Lawrick
